

TYPE LG050HAK

Dimensions

Details

Rounded top edge

Groove for joining strip

Element connection

Technical details

Concrete mixture	3 rd generation self-compacting C55/67
Weight	890kg (L = 3995mm) / 425kg (L = 1990mm)
Dimensional tolerance	+/- 5mm
Concrete surface finish	All visible sides class A (B1 on request)
Design life	50 years
Product warranty	10 years
Environmental class	XA3, XC4, XD3, XS3, XF4
Hoisting device	None, to be placed with clamp

Constructed according to

EN 1990 Eurocode 0	EN 206
EN 1991 Eurocode 1	Incl. national addendums
EN 1992 Eurocode 2	
EN 1997 Eurocode 7	

Produced method

Energy neutral

Filtered rainwater

Sustainable raw materials

Recyclable materials

Certification
